URBN Reports Record Q3 Sales

PHILADELPHIA, PA, November 20, 2017 – Urban Outfitters, Inc. (NASDAQ:URBN), a leading lifestyle products and services company which operates a portfolio of global consumer brands comprised of Anthropologie, BHLDN, Free People, Terrain and Urban Outfitters brands and the Food and Beverage division, today announced net income of \$45 million and \$107 million for the three and nine months ended October 31, 2017, respectively. Earnings per diluted share were \$0.41 and \$0.94 for the three and nine months ended October 31, 2017, respectively.

Total Company net sales for the third quarter of fiscal 2018 increased 3.5% over the same quarter last year to a record \$893 million. Comparable Retail segment net sales, which include the comparable direct-to-consumer channel, increased 1%. Excluding the estimated impact of the North American hurricanes in the quarter, comparable Retail segment net sales increased 2%, and by brand, comparable Retail segment net sales increased 5% at Free People, 2% at the Anthropologie Group and 1% at Urban Outfitters. Comparable Retail segment sales were driven by strong, double-digit growth in the direct-to-consumer channel, partially offset by negative retail store sales. Wholesale segment net sales increased 8.7%.

“I am pleased to announce record third quarter sales, positive Retail segment comps at all three brands and another strong performance from Free People wholesale,” said Richard A. Hayne, Chief Executive Officer. “Record sales were driven by improved apparel execution across all channels and brands,” finished Mr. Hayne.

Net sales by brand and segment for the three and nine month periods were as follows:

	Three Months Ended		Nine Months Ended	
	October 31,		October 31,	
	2017	2016	2017	2016
Net sales by brand				
Urban Outfitters	\$ 353,881	\$ 348,471	\$ 962,496	\$ 1,001,197
Anthropologie Group	352,080	340,727	1,025,585	1,021,410
Free People	180,572	167,445	520,307	476,380
Food and Beverage	6,241	5,848	18,507	16,649
Total Company	<u>\$ 892,774</u>	<u>\$ 862,491</u>	<u>\$ 2,526,895</u>	<u>\$ 2,515,636</u>
Net sales by segment				
Retail Segment	\$ 808,546	\$ 785,026	\$ 2,289,526	\$ 2,300,981
Wholesale Segment	84,228	77,465	237,369	214,655
Total Company	<u>\$ 892,774</u>	<u>\$ 862,491</u>	<u>\$ 2,526,895</u>	<u>\$ 2,515,636</u>

For the three months ended October 31, 2017, the gross profit rate decreased by 142 basis points versus the prior year's comparable period. The decline in gross profit rate was primarily driven by deleverage in delivery and logistics expense due to increased penetration of the direct-to-consumer channel, higher international penetration and increased furniture penetration. For the nine months ended October 31, 2017, the gross profit rate decreased by 291 basis points versus the prior year's comparable period. The decline in gross profit rate was driven by deleverage in delivery and logistics expenses primarily due to the penetration of the direct-to-consumer channel, higher international penetration and increased furniture penetration and higher markdowns due to underperforming women's apparel and accessories product at Anthropologie and Urban Outfitters.

As of October 31, 2017, total inventory decreased by \$3.9 million, or 0.9%, on a year-over-year basis. Comparable Retail segment inventory decreased 1% at cost, which was partially offset by inventory to stock non-comparable stores.

Selling, general and administrative expenses decreased by \$4.7 million, or 2.1%, during the three months ended October 31, 2017, compared to the prior year's comparable period. For the three months ended October 31, 2017, selling, general and administrative expenses, expressed as a percentage of net sales, leveraged by 143 basis points when compared to the prior year's comparable period. The decrease in expenses and leverage were primarily due to savings associated with our store organization project and lower share-based compensation expense, partially offset by increased investments in digital marketing expenditures to drive sales. Selling, general and administrative expenses increased by \$0.5 million, or 0.1%, during the nine months ended October 31, 2017, compared to the prior year's comparable period. For the nine months ended October 31, 2017, selling, general and administrative expenses, expressed as a percentage of net sales, leveraged by 10 basis points when compared to the prior year's comparable period. The leverage is primarily due to the net savings associated with our store organization project and lower share-based compensation expense, partially offset by increased investments in digital marketing expenditures to drive sales.

The Company's effective tax rate for the third quarter of fiscal 2018 was 37.4% compared to 33.5% in the prior year period. The effective tax rate for the first nine months of fiscal 2018 was 37.2% compared to 35.7% in the first nine months of fiscal 2017. The increase in the effective tax rate for the three and nine months periods was primarily due to the ratio of certain foreign taxable profits and losses to global taxable profits and the adoption of the new accounting standard related to share-based compensation.

Net income for the three and nine months ended October 31, 2017, was \$45 million and \$107 million, respectively, and earnings per diluted share was \$0.41 and \$0.94, respectively.

On August 22, 2017, the Company's Board of Directors authorized the repurchase of 20 million common shares under a new share repurchase program. Under this authorization, the Company repurchased and subsequently retired 2.1 million common shares for approximately \$46 million during the nine months ended October 31, 2017. As of October 31, 2017, 17.9 million common shares are remaining under this authorization.

On February 23, 2015, the Company's Board of Directors authorized the repurchase of 20 million common shares under a share repurchase program. Under this authorization, the Company repurchased and subsequently retired 6.0 million common shares for approximately \$111 million during the nine months ended October 31, 2017, which completed this authorization. The Company repurchased and subsequently retired 1.3 million common shares for approximately \$46 million under this authorization during the year ended January 31, 2017.

During the nine months ended October 31, 2017, the Company opened a total of 16 new locations including: 8 Free People stores, 4 Urban Outfitters stores, 3 Anthropologie Group stores and 1 Food and Beverage restaurant; and closed 6 locations including: 3 Free People stores, 1 Urban Outfitters store, 1 Anthropologie Group store and 1 Food and Beverage restaurant.

Urban Outfitters, Inc., offers lifestyle-oriented general merchandise and consumer products and services through a portfolio of global consumer brands comprised of 245 Urban Outfitters stores in the United States, Canada, and Europe and websites; 227 Anthropologie Group stores in the United States, Canada and Europe, catalogs and websites; 132 Free People stores in the United States and Canada, catalogs and websites and 12 Food and Beverage restaurants, as of October 31, 2017. Free People and Anthropologie Group wholesale sell their products through approximately 1,900 department and specialty stores worldwide, third-party websites and the Company's own retail stores.

A conference call will be held today to discuss third quarter results and will be webcast at 5:00 pm. ET at: <https://edge.media-server.com/m6/p/7be6nszp>

This news release is being made pursuant to the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995. *Certain matters contained in this release may constitute forward-looking statements. When used in this release, the words “project,” “believe,” “plan,” “will,” “anticipate,” “expect” and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. Any one, or all, of the following factors could cause actual financial results to differ materially from those financial results mentioned in the forward-looking statements: the difficulty in predicting and responding to shifts in fashion trends, changes in the level of competitive pricing and promotional activity and other industry factors, overall economic and market conditions and worldwide political events and the resultant impact on consumer spending patterns, any effects of war, terrorism, and civil unrest, natural disasters or severe weather conditions, increases in labor costs, availability of suitable retail space for expansion, timing of store openings, risks associated with international expansion, seasonal fluctuations in gross sales, the departure of one or more key senior executives, import risks, changes to U.S. and foreign trade policies, including the enactment of tariffs, border adjustment taxes or increases in duties or quotas, the closing or disruption of, or any damage to, any of our distribution centers, our ability to protect our intellectual property rights, risks associated with internet sales, response to new store concepts, our ability to integrate acquisitions, failure of our manufacturers and third-party vendors to comply with our social compliance program, changes in our effective income tax rate, changes in accounting standards and subjective assumptions, regulatory changes and legal matters and other risks identified in the Company’s filings with the Securities and Exchange Commission. The Company disclaims any intent or obligation to update forward-looking statements even if experience or future changes make it clear that actual results may differ materially from any projected results expressed or implied therein.*
