Independent Auditors' Report

To the Participants and Administrator of Urban Outfitters 401(k) Savings Plan (known as Urban Outfitters, Inc. Profit-Sharing Fund prior to July 1, 1999) Philadelphia, Pennsylvania

We have audited the accompanying statements of net assets available for benefits of Urban Outfitters 401(k) Savings Plan (known as Urban Outfitters, Inc. Profit-Sharing Fund prior to July 1, 1999) as of December 31, 2000 and 1999 and the related statement of changes in net assets available for benefits for the year ended December 31, 2000. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Urban Outfitters 401(k) Savings Plan (known as Urban Outfitters, Inc. Profit-Sharing Fund prior to July 1, 1999) as of December 31, 2000 and 1999 and the changes in its net assets available for benefits for the year ended December 31, 2000 in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information included in the schedule of assets held for investment purposes at end of year is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The information in the Schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

URBAN OUTFITTERS 401(k) SAVINGS PLAN (KNOWN AS URBAN OUTFITTERS, INC. PROFIT-SHARING FUND PRIOR TO JULY 1, 1999) NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2000

1. Description of Plan:

Effective July 1, 1999, the Urban Outfitters, Inc. (the "Company") Profit-Sharing Fund was amended and restated to allow eligible employees to make elective deferrals under Section 401(k) of the Internal Revenue Code (the "Code"), allow the Company to provide matching contributions under Section 401(m) of the Code, and change the name to the Urban Outfitters 401(k) Savings Plan. As a result of the change, all participants who were in the employ of Urban Outfitters, Inc. at June 30, 1999 became fully vested in their accounts.

The following description of the Urban Outfitters, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution 401(k) plan covering all employees who have completed six months of service and have attained age 18. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may elect to contribute 1% to 20% of their eligible compensation, as defined, to the Plan, subject to certain limitations as outlined in the Plan.

The Company may make matching contributions (allocated based on participant contributions for the year) and additional discretionary contributions (allocated based on participant compensation). To be eligible for employer contributions, a participant must have completed one year of service. For the year ended December 31, 2000 and the period from July 1, 1999 through December 31, 1999, the Company made matching contributions equal to 25% of the first 6% of an employee's deferral amount. No additional discretionary contributions were made.

Participant accounts:

Each participant's account is credited with the participant's elective and rollover contributions and an allocation of the Company's contribution and Plan investment earnings, and charged with withdrawals and distributions and a share of Plan investment losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Effective July 1, 1999, for other than holdings of Urban Outfitters, Inc. common stock as of June 30, 1999 and Company discretionary contributions which will be used to purchase Urban Outfitters, Inc. common stock, participants are able to direct the investment of their accounts, including the purchase of additional shares of Urban Outfitters, Inc. common stock. Participants may change their self-directed investment options at any time.

URBAN OUTFITTERS 401(k) SAVINGS PLAN (KNOWN AS URBAN OUTFITTERS, INC. PROFIT-SHARING FUND PRIOR TO JULY 1, 1999) NOTES TO FINANCIAL STATEMENTS (CONTINUED) YEAR ENDED DECEMBER 31, 2000

1. Description of Plan (continued):

Vesting:

Participants are immediately vested in their contributions plus or minus actual earnings or losses thereon. Vesting in the Company's contributions is graded over five years of credited service. Participants become 100% vested if separated from service on account of retirement, death or disability.

Participants of the Urban Outfitters, Inc. Profit-Sharing Fund became 100% vested if they were employed with the Company on June 30, 1999.

Forfeitures:

Forfeited Company contributions are used first to pay the administrative expenses of the Plan and then to reduce the Company's contributions for such plan year. Net assets available for benefits include forfeited balances of approximately \$48,000 at December 31, 2000 and \$52,000 at December 31, 1999.

Participant loans:

Participants may borrow from their vested accounts a minimum of \$500 and up to a maximum equal to the lesser of \$50,000 or 50% of the value of the participant's vested interest in their account. Loan terms range from one to five years, or up to fifteen years for the purchase of a residence. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Principal and interest are paid ratably through payroll deductions. A participant who separates from service before retirement, death or disability may request early payment of their vested benefits. Benefits are paid as soon as administratively feasible following the date on which a distribution is requested. A participant whose vested account exceeds \$5,000 may elect to defer the payment of benefits until April 1 of the calendar year following the attainment of age 70 1/2.

Separated participants may request an in-kind distribution of the portion of their vested account invested in Urban Outfitters, Inc. stock.

Participants, upon attainment of age 59 1/2, may elect to receive inservice distributions. Hardship withdrawals are also permitted.

Plan assets allocated to the accounts of persons who have terminated employment with the Company but have not withdrawn from the Plan approximated \$264,000 at December 31, 2000 and \$284,000 at December 31, 1999.

2. Summary of significant accounting policies:

Basis of accounting: The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Payment of benefits: Benefits are recorded when paid.

Valuation of investments:

The Plan's investments are stated at fair value and are maintained by PNC Bank, N.A. Urban Outfitters, Inc. common stock is stated at fair value using quoted market prices from a national securities exchange. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Participant loans are valued at cost which approximates fair value.

Investments subject the Plan to a concentration of market risk. Investments are subject to market volatility which could have a material effect on participant account balances.

Net appreciation/depreciation in fair value of investments: The Plan presents in the statement of changes in net assets available for benefits the net appreciation/depreciation in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on these investments.

Administrative expenses:

The Company provides participant data services to the Plan at no charge. The Plan pays all administrative expenses. URBAN OUTFITTERS 401(k) SAVINGS PLAN (KNOWN AS URBAN OUTFITTERS, INC.
