Urban Outfitters Q1 Sales Up 16%

Urban Outfitters, Inc. (NASDAQ:URBN), a leading lifestyle consumer products company operating under the Anthropologie, Free People and Urban Outfitters brands, today announced sales for the three months ended April 30, 2007.

Total sales for the first quarter increased 16% to \$314.5 million. Comparable store sales at Anthropologie and Free People were up 2% and 8%, respectively and down 5% at our Urban Outfitters stores. Total Company comparable store sales decreased 2% versus a 3% decrease during the same quarter last year. Direct-to-consumer sales jumped 30% and Free People Wholesale sales rose 12% for the quarter.

"Sales at all of our brands rose significantly during the first quarter fueled largely by new store growth and excellent results in the Direct-to-consumer businesses," said Richard A. Hayne, Chairman and President. "The Company produced positive total 'comp' store sales during the first two months of the quarter but April was a difficult month due mostly to weather issues. With a return to more normal spring weather in the month of May, sales have rebounded nicely," finished Mr. Hayne.

Net sales for the three month periods were as follows:

		Three months ended April 30,	
	2007	2006	
	(in the	usands)	
Urban Outfitters store sales	\$129,908	\$ 117,113	
Anthropologie store sales	118,599	99,928

Free People sales	22,530	19,480	
Total net sales	\$314,544	\$270,007	

During the first quarter, the Company opened four new Urban Outfitters stores and two new Anthropologie stores or six new stores in total. The Company plans to open at least 38 new stores during fiscal year 2008. Management expects to release the Company's quarterly operating results on May 10, 2007.

Urban Outfitters, Inc. is an innovative specialty retailer and wholesaler which offers a variety of lifestyle merchandise to highly defined customer niches through 110 Urban Retail stores in the United States, Canada, and Europe; two Urban Outfitters web sites and an Urban catalog; 95 Anthropologie Retail; an Anthropologie catalog and web site; and Free People, the Company's wholesale division, which sells its product to approximately 1,500 specialty stores, department stores and catalogs, as well as through 8 Free People stores, a web-site and catalog.

Urban Outfitters Announces Record Q1 Earnings

Urban Outfitters, Inc. (NASDAQ:URBN), a leading lifestyle consumer products company operating under the Anthropologie, Free People and Urban Outfitters brands, today announced that earnings for the three months ended April 30, 2007, increased 45% to \$29.4 million or \$0.17 per diluted share.

As stated in the Company's previous sales release on May 8, 2007, total sales for the first quarter increased 16% to a record \$314.5 million. Comparable store sales at Anthropologie and Free People were up 2% and 8%, respectively and down 5% at our Urban Outfitters stores. Total Company comparable store sales decreased 2%. Direct-to-consumer sales jumped 30% and Free People Wholesale sales rose 12% for the quarter.

"We are encouraged by the customer reaction to our assortments so far this May, and based on these results, remain guardedly optimistic about achieving our modest financial plan in the second quarter," said Richard A. Hayne, Chairman and President.

Net sales for the periods were as follows:

		Three months ended April 30,	
	2007	2006	
	(in the	ousands)	
Urban Outfitters store sales	\$129,908	\$ 117,113

Direct-to-consumer sales	43,507	33,486	
Free People sales	22,530	19,480	
Total net sales	\$314,544	\$270,007	
	· · · · · · · · · · · · · · · · · · ·		

For the three months ended April 30, 2007, gross profit margins were relatively flat to last year. Total Company inventories grew by \$27.4 million or 19.5% on a year-over-year basis as of April 30, 2007. The acquisition of inventory to stock new retail stores was the primary factor for this increase. Total comparable store inventories increased by 3%, but declined by 5% on a per unit basis.

For the three months ended April 30, 2007, selling, general and administrative expenses, expressed as a percentage of net sales, increased by 20 basis points versus the comparable quarter last year. This increase was primarily caused by the effect of 'comp' store sales declines on fixed store related expenses.

The Company's tax rate improved to 22.3% or \$0.03 per diluted share from 38.4% based upon receipt of certification for work performed on the development of its new offices that qualifies for certain one-time federal tax incentives and the benefit of certain reorganization efforts. Excluding the one-time federal tax incentive benefit the Company's estimated annual effective tax rate would have been approximately 36.2%, which the Company expects to maintain in FY08.

During the first quarter, the Company opened four new Urban Outfitters stores and two new Anthropologie stores or six new stores in total. The Company plans to open at least 38 new stores during fiscal year 2008.
